Art Glass with Cremins

Made with care in Crescent's own custom built glass studio.

The process combines cremains with the art of glassmaking to create a work of art that is as one-of-a-kind as the loved one it memorializes. Each unique Art Glass design is a stunning work and an exquisite way to memorialize your loved one in the home. Also, many families choose pendants for each family member. Each breathtaking piece offers a special remembrance of a cherished life, reflected through form, color, and light. In the midst of the beautiful, artistic colors, the cremains look similar to white sea foam with swirling bubbles. Each piece of art glass is a one of a kind memorial. No two pieces look the same.
